# 2022 ASIA-PACIFIC SYMPOSIUM

TOKYO, JAPAN

OCTOBER 1-2, 2022

WCLI

The World Clinical Laser Institute (WCLI) is putting on a symposium focused on laser application in periodontology, implantology, endodontics, restorative dentistry, pain therapy and others. The WCLI's International Symposium will feature educational content suited for every dental professional.

This event will also include fascinating keynote addresses from leaders in the dental world, along with multiple social and networking opportunities to relax and make new friends while learning about new groundbreaking dental technologies. The WCLI's Symposiums are one of a kind in the dental profession! We look forward to seeing you there!

# 2022 WCLI Asia Pacific Symposium

## Tokyo, Japan

October 1, 2022 - October 2, 2022

### Symposium Summary

The World Clinical Laser Institute (WCLI) is more than an educational association of dentists seeking clinical knowledge and tips on the latest technologies in dentistry. The largest group of its kind, the WCLI is a closely-knit network of thousands of dental professionals who share a passion for improving their patient experience, elevating their clinical results to the highest level, and building the best possible practice they can.

The WCLI has been putting on world-class educational events for over ten years. At this year's Asia Pacific Symposium in Tokyo, dental professionals will improve their knowledge and techniques for established laser procedures, such as laser-assisted periodontal treatment, endo, implant placement, pain therapy and cosmetic dentistry.

Also, all also, the WCLI's 2022 Asia Pacific Symposium is a great place
